December 15th, 2022

Dear Tomales Friends of Agriculture Supporter,

On March 3, 2023 the Tomales Friends of Agriculture will be hosting its Annual Dinner and Auction to benefit the Tomales High School Agriculture Program and the Tomales FFA at the Stemple Creek Ranch in Tomales. Tomales FFA is the only agriculture program in Marin County, and services a variety of students from both Sonoma and Marin Counties. Our program fosters leadership and agricultural education for the students of Tomales High School.

In order to make this event a success, we are in need of donations for the live and silent auctions included in this event. All of the funds raised at this event go directly to helping the students of the Tomales High School agriculture program by providing scholarships, attending local, state, and national leadership conferences, and educating students about the agriculture industry. The Tomales Friends of Agriculture is a nonprofit organization under the National FFA Alumni Association. Our Federal Tax Identification Number is 30-0559188 and our group number is 04016.

We hope that you will be able to help the Tomales Friends of Agriculture to make this event a success, for our agriculture students of Sonoma and Marin Counties. Please feel free to contact our donations coordinator, Jen Murphy at 707-878-2286 x222 or jen.murphy@shorelineunified.org with any questions. If you would like more details or tickets for the event, please visit tomalesfriendsofagriculture.org. We would appreciate all donations be collected no later than Friday, February 24th.

Thank you for your time and support!

Sincerely,

Mike Moretti
President,
Tomales Friends of Agriculture
